2024 Caladium Festival Food Truck/Food Vendor Application

Set-up: Vendors will be allowed to set up on Thursday, July 25th, beginning at 6:00 pm. NO EARLY SETUP ALLOWED. This is to allow area businesses time to close and get out/off of the closed streets before set-up begins.

Restocking: You may drive a vehicle to your vendor space to restock before 8:30 am on Friday and Saturday, and before 9:30 am on Sunday morning. You may also drive to your vendor space to restock after 4:30 pm on Friday and Saturday.

Because of traffic congestion and space constraints, the Festival Committee must restrict all vendor traffic to these periods of time. However, each vendor will be allowed to unload necessary supplies during the day **by hand cart only** during the hours of the event. There is no parking at the selling site. **ALL VEHICLE TRAFFIC MUST BE OFF OF THE CLOSED STREETS BY 8:30 am on Friday and Saturday, and by 9:30 am on Sunday! NO EXCEPTIONS!**

Break Down and Clean-up: Early breakdowns are not permitted and will result in a vendor's rejection for future years of the event. Trash must be left in designated areas for Town Pick-up. The ground and area surrounding your site location must be free of litter and debris.

Dumpsters/trash containers: Please break down boxes before placing them into designated trash receptacles. You will need to supply at least two trash cans and plastic liners for your booth trash. You are responsible for keeping your trash containers at the booth free of trash.
